## OUTREACH ACTIVITIES

October 1, 2022 through October 1, 2023

The unit has selected the following outreach initiatives:

**1. Host at least two job fairs during a two-year period**

The unit hosted one job fair during the period, on March 22, 2022 at the Inn at Grand Glaze, Osage Beach, Mo. It is estimated that one hundred forty eight people attended the job fair. The CFO, four sales executives and two other staff attended the event on behalf of the unit. The Unit recruited for the open position during this Job Fair.

**2. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.**

During this past year, the management of Viper Communications, Inc. continued its training of management personnel by studying the book, EEO Law and Personnel Practices by Arthur Gutman. Kenneth Kuenzie, Carolyn Warnebold and Dennis Klautzer studied “Issues for Compliance”.

**3. Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.**

Viper has designed its own Outreach Initiative designed to be more appropriate to its central Missouri location. Specifically, Viper has designed an “Open House” program whereby it invites members of the community to visit the stations on Open House Day to see the facilities, talk with management, owners and talent and to discuss careers with the staff. This period, the Unit did not host an Open House event but one is scheduled for November 7, 2023. The event will be promoted on the air.

In addition to these outreach initiatives, the unit also aired Public Notice Press Releases and mailed notices to each of the community groups on its list. These notices were published twice during the year to notify the public that the stations seek involvement from community groups regarding its recruitment efforts. One community group responded and that group regularly receives information from the unit regarding full-time job openings.
